

DYSLEXIA AND RELATED CONDITIONS: CREATING DISTRICT PLANS THROUGH COLLECTIVE CONVERSATIONS

MONDAY, DECEMBER 13, 2021

9:00 AM - 2:00 PM

CESA 5, PORTAGE, WI

CESA 5 invites district teams to join us for a workshop that will provide time and space for teams to review the DPI Informational Guidebook on Dyslexia and Related Conditions, which districts are required to link to their website no later than December 1, 2021.

Teams will engage in collaborative conversations around the document as they review their E-MLSS systems and structures and prepare protocols to communicate with stakeholders how the district supports all readers, including those with dyslexia and related conditions.

REGISTRATION:

\$100 for a district team of up to 4 people

\$50 for each additional team member

Click Logo to Register:

or visit: cesa5.org/events/

Suggested District Team Membership:

- District administrators (such as curriculum director and director of special education)
- Principals
- School psychologists
- Reading specialists
- Reading teachers and/or reading interventionists
- Classroom teachers (including general education, special education, and teachers of English learners)
- Parents and/or family of individuals with dyslexia and related conditions
- Parents and/or family of individuals who struggle with reading for reasons other than dyslexia
