

**Teacher Standards addressed during the 2-day training:**

**#2 Teachers know how children grow.**

The teacher understands how children with broad ranges of ability learn and provides instruction that supports their intellectual, social, and personal development.

**#7 Teachers are able to plan different kinds of lessons.**

The teacher organizes and plans systematic instruction based upon knowledge of subject matter, pupils, the community, and curriculum goals.

**#8 Teachers know how to test for student progress.**

The teacher understands and uses formal and informal assessment strategies to evaluate and ensure the continuous intellectual, social, and physical development of the pupil.
