

# Woodcock Johnson IV Training

**Target Audience:** Special Education Teachers who may be completing or are asked to complete the WJ IV Achievement tests.

**What to bring:** A blank Test Record Book, a Student Response Book, and the Standard and Extended presentation binders.

**Date:** January 31, 2022

**Location:** CESA 5

626 E Slifer Street

Portage

**Time:** 8:30 to 3:00

This one day training session will cover standardized testing using the WJ IV Achievement Battery. Participants will learn the rules for each of the subtests as well as tips for completing the assessment with students at different grade levels. Ideas for test interpretation and sample test reports will be provided to help teachers use information from the test and other sources to match special education criteria and write IEP goals based on student need.

**Cost: \$60 SEIMC Members**

**\$100 Non SEIMC Members**
