

BIRTH TO 3 PROGRAM ORIENTATION

AUDIENCE:

Birth to 3 Program personnel including service coordinators, educators, therapists, program coordinators, and county leadership. This training is targeted for new Birth to 3 Program staff. Other staff are welcome to attend.

Training Goals:

1. Participants will learn essential elements of the Birth to 3 Program process from child find through transition.
2. Participants will understand how to implement federal regulations (Part C) and Wis. Admin. Code ch. DHS90, and policies.
3. Participants will identify and describe family-centered and relationship-based services through the lens of coaching, teaming, and natural learning environment.

NEW DATE ADDED!

February 2, 2022
