Learning to Choose, Choosing to Learn: The Key to Student motivation & Achievement By Mike Anderson

Offering students choices about their learning, says author Mike Anderson, is one of the most powerful ways teachers can boost student learning, motivation, and achievement. In his book, Anderson offers numerous examples of choice in action, ideas to try with different students, and a step-by-step process to help you plan and incorporate choice into your classroom.

You'll explore:

- * What effective student choice looks like in the classroom.
- * Why it's important to offer students choices.
- * How to create learning environments, set the right tone for learning, and teach specific skills that enable choice to work well.

[Click HERE to Register!](#) Your book will be sent to you!

You will receive 15 hours of Professional Development when you complete a Zoom call with Sue Erickson once you finish the book addressing the following objectives:

- ★ *To make a positive change in practice with information gathered from the book*
- ★ *To embed the information into daily work*
- ★ *To better meet the needs of ALL your students*

Schedule your Zoom Meeting with Sue by May 1, 2022 to receive the certificate of participation.
