

SUMMER KELLY GALLAGHER EXPERIENCE

Kelly Gallagher, Author

Four Essential Studies: Beliefs and Practices to Reclaim Student Agency

Compliant reading and writing is not the same thing as engaged reading and writing. So how do we engage adolescent readers and writers? By creating experiences that are responsive to their interests and needs. This workshop will explore four essential studies—essay writing, book clubs, poetry, and digital composition—that will ignite your students' engagement with reading and writing.

3 Part Series

Guided Online Book Study

June 10th- August 9th

This asynchronous guided online book study will be completed through Canvas.
