of professional development.

Hacking School Discipline

(ONLINE) RESTORATIVE PRACTICES BOOK CLUB

FEBRUARY , MARCH & APRIL 2022

This book club format will be virtual discussion sessions (3, one hour and fifteen minutes each) hosted on Zoom. A link to Zoom and an agenda and questions will be emailed to you for each date.

Many youth are used to adults giving up on them, but with restorative practices, you can empower students to be accountable for their own actions. This book provides practical tips and strategies in the context of real world example's, guided by the imperative's of changing behavior while preserving relationships. An important read for Administrators and teachers.

You will learn to:

- Reduce repeated negative behaviors
- Build student self-regulation and empathy
- Enhance communication and collaboration
- Identify the true cause of negative behaviors
- Use restorative circles to reflect on behaviors and discuss impactful change.

Discussion sessions will be organized by parts of the book:

- **Part 1:** Introduction, Hack 1: Let's Talk, Hack 2: Circle up, Hack 3 Repair the Harm
- **Part 2:** Hack 4: Throw out the Rules, Hack 5: Create a Growth Mindset, Hack 6: Teach Mindfulness
- **Part 3:** Hack 7: Cultivate Empathy, Hack 8: Build Restorative Support, Hack 9: Create a Snapshot,

Join this virtual book club for professional discussion and activities related to book content, our shared real world applications and your next steps for application of the book's content.

ONLINE REGISTRATION
