

CTE ALTERNATIVE LICENSING WORKSHOP

Thursday, April 7, 2022

10:00AM - 12:00PM

REGISTER!

Registration closes March 31, 2022

Description: This workshop will provide an opportunity for educators, district staff, and industry professionals to understand the process of obtaining non-traditional CTE educator certification, including: district-sponsored licensure, experience-based licensure, license based on equivalency, and trade-specialist pathway.

Audience: District teams to include: CTE leaders, administrators, educators, and other professionals seeking CTE licensure. This event is open to all Wisconsin school districts.

Location: Zoom (link to join will be provided after registration)

Cost: No cost to districts that are members of the Perkins Consortium (Ashland, Bayfield, Chequamegon, Drummond, Hurley, Maple, Mellen, Mercer, Northwood, Phillips, Solon Springs, Superior, Washburn, Winter).
\$135 for districts outside of the consortiums (unlimited team members).
