

# TECHNOLOGY TO SUPPORT MULTILINGUAL LEARNERS

**2023**

**FEBRUARY 10**

**9:00 AM - 3:00 PM**

## Facilitator:

**Lori Menning** | EL, Bilingual- Bicultural & World  
Language Consultant

Multilingual learners bring significant assets of language and culture to enrich their classrooms and schools, and their backgrounds and experiences inform different educational technology needs.

## OBJECTIVES

- Learn how the selection of educational technology can best meet the needs of multilingual learners as they learn academic content and at the same work toward increasing English proficiency.
- Explore various free forms of technology that can engage and motivate students while at the same time providing additional linguistic support.
- Digital learning resources for new arrivals and immigrant students will be shared to offer first language scaffolds as students transition to learning in English.

## WHO SHOULD ATTEND?

- Any teachers with multilingual learners
- Paraeducators supporting multilingual learners
- District technology coaches and specialists
