

WISEdash SERIES: Data Validation & Snapshot Readiness

2022

NOVEMBER 2

9:00 AM - 12:00 PM (*In-Person*) or,
12:30 PM - 3:30 PM (*Virtual*)

PRESENTER

Mary Ann Hudziak | Director | Student Success Center

WISEdash for Districts is a valuable tool for data validation. This session will focus on a data validation process for the WISEdata Student Snapshot (December). School and district leaders along with data entry staff will gain a better understanding of using WISEdash navigation and dashboard functionality as part of a data validation process prior to snapshot. Register your data team to maximize your collaboration and effectiveness.

"So much useful information and well organized. Ample time for asking questions in a relaxed atmosphere."

WHO SHOULD ATTEND?

District and school administrators, lead data entry specialists, curriculum/ data coordinators, special education directors, EL coordinators, school counselors, and lead teachers.

Please be sure you have an active WISEdash for Districts user access and can access the data dashboards prior to attending.

*Contact Mary Ann Hudziak, mhudziak@cesa6.org, if you would like assistance gaining user access for WISEdash.

OBJECTIVES

- Learn a process that can be used to create a data validation plan
- Learn the different dashboards available in WISEdash for Districts and how to use them
- Learn and practice locating and manipulating the robust functionality of the tool
