

Google Tools for Teaching Learning

March 19 – April 16, 2012
Online Course

Presenter: Mary Maderich, CESA #12 Technology Specialist

This four-week online course, facilitated by an instructor, includes the essentials working with the suite of Google Apps: Google Word Processing, Google Spreadsheets, Google Presentations, Google Forms (surveys), Gmail, Google Calendar and Sites for building websites. This course involves four hours of weekly work that combines the exploration and implementation of Google Apps into your classroom. This course focuses how the apps work and how they can be used in the classroom!

Registration Fee: \$250 (checks should be made out to CESA #12) + **Credit Fee:** 1 Viterbo Credit \$110 (checks should be made out to Viterbo)

SPECIAL 1 TIME INTRODUCTORY OFFER: CESA #12 Educational Technology Consulting Consortium Plan A & B Members receive 10 course registrations per district for \$50 each participant. (This does not apply to Viterbo Credit Fee)

1 Viterbo Credit Available (This is not a course covered under Facilitating Student Success)

This training addresses: DPI Teacher Standards: 1, 2, 3, 4, 7, 8
