

Dynamic Learning Maps New Test Administrator Training

Friday February 10, 2023

8:00 a.m.-11:30 a.m. or

12:30 p.m.-4:00 p.m.

Target Audience:

- ID/Autism
- Cross Categorical

Please join us for whichever session works best for your schedule.

- Training is required for all those who will administer the Dynamic Learning Maps Alternative Assessment. This training is intended for **NEW** test administrators only.
- New test administrators must successfully complete all four DLM training modules before assessment can begin.
- New test administrators **MUST** have an active Educator Portal Account before access to the required training can be granted. Please see your District Assessment Coordinator to ensure this account is established at least one day prior to attending this training.
- Presented by: Charles Norton, RSN, CESA 5
- Sponsored by: Regional Special Education Network (RSN)
- Standards: T3, T8
