Join CESA 4 directors as a team to help assess your district's current systems and readiness for implementing the new EBD rule change.

With training, tailored action plans, and on-site coaching and support, we will continue to move your process forward throughout the 2022-23 school year.

- Up to three building teams per district
- 1.5 days training at CESA 4
- 0.5 days work time with your appointed teams at CESA 4
- Three on-site visits (2 hours each) with your appointed CESA coach
- Technical assistance between on-site visits
- Option to send additional building teams and/or intense technical support

It is important for the district representative to determine the team members before registering. Team members should include but are not limited to:

- Principal
- SPED Director
- Regular education teacher
- Special education teacher
- Counselor
- School Psychologist
- Behavior specialist
- SEL teacher
