

Google Apps for Education

Google Apps for Education is a FREE suite of collaboration tools for your school. All online, this suite gives your students the opportunity to work, collaborate and create in the cloud. Access anytime and anywhere, this makes Google Apps easily accessible. It's completely ad-free and has the privacy and security that schools need.

• Collaborate with Google Docs

Edit documents simultaneously among multiple users with Google Docs. Access anywhere and anytime! It's easy to upload and share files.

- Includes:
- Word Processing
 - Spreadsheet
 - Forms
 - Presentations

• Communicate and Plan

Google Apps for Education also comes with communication and planning tools for your school. Free email and integrated calendars make it easy to schedule events and share them using Sites to create your own web pages.

- Includes:
- Gmail
 - Calendars
 - Sites
