

# Forward-Thinking Network Informational Sessions

The Forward-Thinking Network is an innovative community of leaders and learners dedicated to increasing student learning through transforming assessment and grading practices in our schools. The network will begin in September 2022 and will last throughout the 2022-2023 school year. To learn more about this learning opportunity, we're inviting school and district leaders to join us for a 30-minute informational session on Zoom.
