

# Empowering Students through Inquiry Learning

**JULY 27, 2022 AND JULY 28, 2022**

Workshop will run 9am- 3:30pm each day

Back by popular demand, CESA 4 welcomes Inquiry Learning leader, Dan Lathrop, as he trains educators to employ project-based, inquiry learning to first shift from student passivity to student engagement and then on to student empowerment. All content areas welcome! Teams encouraged.

Topics that will be covered:

- Student Engagement
- Project-Based Learning
- Designing, assessing, and grading project-based learning units
- Develop an implementation plan
- Strategies to support project-based learning
