

2022-23 CESA 8 MATH NETWORK MEETINGS

CESA 8 | 223 WEST PARK STREET | GILLETT, WI

Teachers often find it difficult to implement lessons that help students go beyond rote memorization and repetitive calculations. In fact, institutional norms and habits that permeate all classrooms can be enabling “non-thinking” student behavior. Sparked by observing teachers struggle to implement rich mathematics tasks to engage students in deep thinking, Peter Liljedahl has translated his 15 years of research into this practical guide on how to move toward a thinking classroom. *Building Thinking Classrooms in Mathematics, Grades K - 12* helps teachers implement 14 optimal practices for thinking that creates an ideal setting for deep mathematics learning to occur (Liljedahl 2021). While not only learning side-by-side with area mathematics educators and leaders about these practices, these meetings will give participants an opportunity to network around local successes and challenges. Invited guests will highlight mathematics news, announcements, and additional information relevant to mathematics educators in the CESA 8 region.

Draft Meeting Agenda:

- Networking time with CESA 8 math educators
- Book Talk
- Local, state, and national initiatives
- Invited guest speakers

K-5 MATH NETWORK SERIES

Fall Meeting

Grades K - 12

Thursday, November 10, 2022
9:00 a.m. - 3:00 p.m.

Winter Meeting

Grades K - 5

Tuesday, January 17, 2023
9:00 a.m. - 3:00 p.m.

Spring Meeting

Grades K - 12

Tuesday, March 28, 2023
9:00 a.m. - 3:00 p.m.

6-12 MATH NETWORK SERIES

Fall Meeting

Grades K - 12

Thursday, November 10, 2022
9:00 a.m. - 3:00 p.m.

Winter Meeting

Grades 6 - 12

Thursday, January 12, 2023
9:00 a.m. - 3:00 p.m.

Spring Meeting

Grades K - 12

Tuesday, March 28, 2023
9:00 a.m. - 3:00 p.m.

Audience: K-12 educators supporting the student learning of mathematics

Cost: \$330 for CESA 8 CIA Member Districts, cost includes all three workshops in the series and a copy of the book. \$660 for all others.

Registration: Participants who are registered by **October 1, 2022** and are in attendance at the first meeting on November 10, 2022 will receive a copy of the book *Building Thinking Classrooms in Mathematics* at that meeting. Those that register after October 1st will receive a copy of the book once the book is available and they are in attendance.
