

Lead Like a Multiplier

Mark your calendar to join us for this leadership series and grow your capacity to lead your team and lead change.

Alyssa Gallagher is a Collaborator and Master Practitioner for the Wiseman Group. Alyssa is also the co-author of *Design Thinking for School Leaders*.

Previously, she was the Director of Strategic Initiatives & Community Partnership for the Los Altos School District. Under Alyssa's guidance, LASD became a nationally recognized leader in education innovation with her work featured in *Forbes*, *Wired*, *The Economist* magazines and on CNN and the CBS News program *60 Minutes*.

Alyssa was recognized as the "2013 Education Multiplier of the Year" and enjoys coaching leaders on the Multiplier mindsets and disciplines.

- **Leading Change: \$35/per person, February 3, 2023 1:00-2:30 PM, Hybrid (CESA 7, Room C)**

[Registration](#)

This session provides structured support and guidance to those striving to lead significant change with their school or district. You'll gain clarity on the change you want to bring about, consider how to communicate the vision to others in a powerful way and develop strategies to engage others in the change process.

- **Empowering Others to Change: \$35/per person, March 3, 2023, 8:30-10:00 AM, Hybrid (CESA 7, Room A)**

[Registration](#)

In this session, you'll explore how to lead as a Multiplier by empowering others to take on big responsibilities and grow themselves through their work. You'll learn how your behaviors can influence the contribution of others and learn to recognize and alter your approach to leverage the best of others.

- **Team Effectiveness: \$35/per person, April 14, 2023, 1:00-2:30 PM, Hybrid (CESA 7, Room A)**

[Registration](#)

This session will support your team to come together to set the foundations for effective teamwork – forging an open and inclusive culture, building strong working relationships, and creating a shared sense of purpose. You'll develop a shared understanding of how to improve team effectiveness, build collaboration between team members from different backgrounds and support team members to embrace critical team mindsets.
