

Based on your input, this year's topics will focus on collaboration, teaming, and supporting unique needs. You can choose to select to attend one or both sessions!
Teams are recommended and encouraged.

ECSE NETWORK

OCTOBER 07, 2022
FEBRUARY 03, 2023
9:00 - 11:00AM

Focus will be on teaming and collaboration in early childhood for students with special education needs, as well as important ECSE updates.
Virtual option available, please indicate at time of registration.
