

Early Learning Networking Meeting

December 2, 2022

9:00 AM - 2:30 PM

CESA #12 Conference Center

Early Childhood Training & Networking!
Our time together will focus on a team approach to Individual Education Programs (IEPs) for Early Childhood Special Education. We will dig into getting to the disability-related need, functional goal writing, family engagement in the process, and specially designed instruction. We will network with others in our early childhood field. Updates from the state and regional levels will be provided.

E-MLSS Key Features: Collaboration, Family & Community Engagement, Evidence Based Practices

Click here to register
