TRAINING FOR SCHOOL STAFF AND OTHER PROFESSIONALS
SUPPORTING ANTI-TRAFFICKING

September 20, 2022 or January 17, 2023

Presenters: Julie Incitti, DPI and Asia Jackson, DC7

This session will provide school staff, such as pupil service staff, and professionals working in trafficking prevention and response, training on using the DPI Anti-Human Trafficking Video Facilitation Guide and accompanying videos with students. While not restricted to pupil service staff, staff should have some training and experience handling difficult topics, handling student disclosures, and the ability to assess risk and safety concerns. Participants will gain access to the video series, as well as the facilitator guide and related resources. Participants will be able to lead lessons for students grades 7-12 to help them understand what human trafficking is, some of the dynamics involved, and to recognize warning signs and unsafe situations, how to get help, and where to find additional resources. School staff and professionals in the community are encouraged to attend training together to collaborate on lesson delivery for students.

Pre-work--Participants are expected to review the following materials prior to the training session and come prepared to discuss them.
