ACT 30 was signed into Wisconsin law in April 2021. This requires districts to incorporate the teaching of the Holocaust and other genocides into their social studies curriculum at least once in grades 5-8 and at least once in grades 9-12.

This summer, the Holocaust Educational Resource Center (HERC) came to CESA 9 to share resources to support implementation of Act 30. This workshop will review some of the HERC resources shared and also provide teams work time to discuss where and how teaching topics related to Act 30 will be added to their curriculum across grade levels.
