Health Equity

WHEN:

Wednesday, December 7, 2022 - In-person pre-conference session 8:30am-11:30am
\$50.00, includes lunch - available at 11:30am

WHERE:

- In-person— at Glacier Canyon Conference Center - Wilderness Resort in Wisconsin Dells

PRE-CONFERENCE PRESENTER:

Tacara Lovings is an Education Consultant on the SSPW team, specializing in physical education, adapted physical education, and coordinated school health. She is a former PE and health teacher and holds her Masters in Science in Specially Designed Physical Education.

SESSION DESCRIPTION

Attendees will establish an understanding of how health, disparities and educational equity are connected. This connection is demonstrated through defining terms, overview of key public health frameworks and relevant data like the YRBS and ABES surveys. Along the way, participants will reflect on factors that shaped their health and development. Learning is applied when attendees are asked to consider where they interact with health equity.

Session Objectives:

- Establish an understanding of health, disparities, and educational equity.
- Identify key factors that shape childhood health development.
- Recognize the impact of health and educational equity on the students/communities we serve.
