

Guided Practice on Alternate Assessment and Instructional Professional Learning Series

GUEST SPEAKER

Iris Jacobson and Michael Peacy, Education Consultants from the Department of Public Instruction (DPI) will be presenting with CESA 6. Iris has worked within the field of special education in public school settings as a classroom teacher, diagnostician, and program coordinator, primarily in a large urban district as well as a university instructor. Her focus has centered on academic assessment for students with IEPs, in particular for students taking the alternate assessment. Michael works in the Office of Student Assessment at DPI. His role oversees the Dynamic Learning Maps (DLM®) for the state of Wisconsin.
