

2009-2010 School Psychology Network Meeting

November 13, 2009

LaSure's Banquet Hall, Oshkosh

9:00AM-3:00PM - Workshop

8:30-9:00AM - Registration

School Psychologists and other interested staff are invited to a Fall Update with John Humphries, DPI School Psychologist. This will be a fast-paced lecture with slides, handouts, table discussions, and activities. In addition, each WSPA Regional Representative will lead a discussion about how the Association can support practitioners in their changing roles. Please encourage school psychologists who have never been to one of these network meetings to attend—in a rapidly changing field, professional development is essential.

Agenda (subject to revision)

- Demographic Data on School Psychology and Pupil Services from DPI
- WSPA Survey 2009: New Data and Trend Analysis
- Using Formative and Benchmark Assessments in an RtI System
- SLD identification using RtI: Challenges and Opportunities
- WSPA Regional Representative Presentation
- School Psychologist Roles in an RtI System: A Look at NASP's Position, WSPA's Position, and how you can make these work in your district
