

Homeless Liaison Network Series

9:00 AM – 3:00 PM at CESA #4

February 13, 2023 ♦ May 1, 2023

The CESA #4 Homeless Liaison Network provides resources, professional development, and opportunities to collaborate with other district liaisons on all topics related to students and families experiencing homelessness.

Through the Homeless Liaison Network, stay up to date on McKinney Vento Compliance, data tracking, and strategies and resources to support your schools' homeless youth population.

Topics to be covered include but are not limited to:

- McKinney Vento compliance
- Staff training on identifying homeless youth
- Unique situations in working with students and families experiencing homelessness
- Reporting and tracking homeless youth data within your district
- Improving school services related to homelessness
- Community resources for outside referral

The cost for the first team member per district is \$350.00 for both days which also includes coaching services with the CESA #4 Homeless Liaison, Abby Fernan. You can also register for individual days at \$180.00 per day for the first team member. Each additional team member per district is \$25.00 per day.

All district adjustments will be made prior to billing
