**This series is designed to engage leadership teams in the continuous improvement process as required through IDEA and ESSA identifications.**

Teams will:

- Reflect on the role of leadership teams and engage in deep learning to understand marginalized populations in schools.
- Engage in a needs assessment analyzing student outcome data and adult practices data.
- Identify and select an evidence-based improvement strategy (EBIS) aligned to root causes.
- Develop an improvement plan directly linked to root causes and identification(s).

### Cost for the series (includes lunch):

\$25/person for IDEA- or ESSA-identified CESA 9 districts (low cost due to funding by TA Network funds)

\$75/person for non-identified CESA 9 districts

### Audience:

*Recommended teams: administrators, teachers (including special and general education), and specialists.*

- District/school teams that have received a federal identification under ESSA and/or IDEA.
- District/school teams seeking help engaging in the continuous improvement process.
