

# ACT Mathematics® and the Teaching & Learning of Mathematics in Your District

December 20, 2022  
9 AM – 3 PM

*Please join us for an insightful day of mathematics conversation and learning centered on ACT Mathematics®!*

## Workshop Goals

Participants will:

- Frame the day's work by discussing the role of high-quality, standardized-aligned materials and the *Statement about College Readiness and the Wisconsin Standards for Mathematics from Wisconsin Higher Education and K-12 Representatives* in the teaching and learning of mathematics.
- Engage in a crosswalk of ACT Mathematics® College and Career Readiness Standards, the Wisconsin Standards for Mathematics (2021), and their district curriculum.
- Review released test items to consider implications for test preparation.
- Develop a strategic district plan for test preparation.
- Network with others around this work.

## Audience

Educators supporting the student learning of high school mathematics.

## Location

CESA 8, 223 West Park Street, Gillett

## Cost

\$125 for CESA 8 CIA member districts; \$250 for all others.

## Registration

To ensure timely delivery because of holiday shipping delays, participants must be registered by December 9<sup>th</sup> to receive a book. Those that register after this date, will not receive a book.

Register at [myQuickReg](https://myQuickReg.org)
