

2023 CESA 5

# MENTAL HEALTH & BEHAVIOR SUMMIT

This two-day conference provides strategies and techniques to assist with behavior management and mental health issues in the school setting. This event also provides an opportunity for educators to network and collaborate around behavioral and mental health needs of students as well as practice self-care and compassion.

**Monday, August 14 & Tuesday, August 15, 2023**

Glacier Canyon Conference Center, Wisconsin Dells, WI

**ANNEMOSS ROGERS**

Monday Keynote:  
Turning Pain Into Purpose

**DR. DIPESH NAVSARIA**

Tuesday Keynote:  
Early Experiences Elevate  
Everything: Childhood Adversity  
and Toxic Stress

In addition to our distinguished keynote speakers, the Mental Health & Behavior Summit features thought-provoking breakout sessions from local experts in the field and offers specific strategies and information for you to bring back to your district and classroom.

### 2023 Breakout Sessions:

The Emotionally Naked Truth about Student Suicide, Self-Care, Speaking about Autism, The Importance of a Gay Straight Alliance in Your School, Supporting Wisconsin's Youngest Students Experiencing Homelessness, Student Conflict Resolution, Interpreting and Understanding Behaviors, Art Therapy, and more.

**Registration Fee: \$250 per person**
