

# ACADEMY OF FOUNDATIONAL LITERACY

Register here by October 25th:  
<https://bit.ly/LitAcad23>

## OBJECTIVES

The Academy of Foundational Literacy is a comprehensive, curriculum-neutral professional learning appropriate for all educators who work with early readers and struggling readers. The academy is grounded in the science of reading research and specifically designed to strengthen the capacity of educators to deliver high-quality foundational skills instruction in universal and intervention settings.

### Educators in the academy will:

- Secure a research-informed knowledge base for the foundational skills that produce proficient reading
- Implement evidence-aligned instructional practices, including a grounding in structured literacy
- Administer and analyze assessments that measure reading progress and inform the creation of differentiated lesson plans

## AUDIENCE

PK-3 teachers, Interventionists, special educators, literacy coaches, EL teachers, paraprofessionals, school psychologists, and administrators.
