

SEE THE SOUND - VISUAL PHONICS

PRESENTED BY MELISSA CARRIE, ICLI LICENSED TRAINER

See the Sound - Visual Phonics is a system of 52 unique hand cues and symbols that represent the sounds of the English language without the ambiguity of English spelling. It includes the sounds commonly referred to as vowels, consonants, diphthongs, and digraphs. Each hand cue is associated with the production of the sound, making it simple for students to connect the sounds with the hand cue!

To be certified, attendance at both sessions is mandatory.

seating is limited to the first 25 people

Register here by August 9th:
<https://bit.ly/VisualPhonics23>

Cost for the 2-session series

(includes \$16 materials fee and lunch each day):

If eligible, discount will automatically apply during registration
