

SMART Board™ Training

Recommended for participants who have attended SMART Board Basics or who can create SMART Notebook lessons and use a SMART Board. This class is not for beginners.

SMART Board™ Advanced Training Presenter, Paula Walser, Director of E-Learning

Registration deadline:
January 8, 2010

January 12, 2010

CESA 6—Oshkosh Office, Large Conference Room

8:45 am Registration

9:00 am —3:00 pm Workshop

Who should attend?

- SMART Board™ users that know the basic features of the SMART Board and are looking for additional ways to incorporate the SMART Board into their classroom instruction.
- Learn the next step in SMART Board integration. Gather with other SMART Board users as they discuss best practices in their classroom and develop additional lesson plans utilizing your SMART Board.
- Take your SMART Board expertise to the next level and design lessons that are content rich and interactive. Participants in this workshop will learn how to add interactive features to lessons and then create their own lessons using the new **SMART Notebook™ software Version 10**. Bring an idea for a lesson, incorporate interactivity into the lesson and it will be ready to take back to the classroom.

What will I learn?

- Learn about the new features in **SMART Notebook™ software Version 10** that can be utilized to create dynamic and engaging lessons for any learner.
- Learn and share some tips and tricks for making the integration of this exciting educational technology, easier, faster and simpler.
- **CREATE Lessons....Participants should bring hard copies or have materials on a flash drive.**
