WISEdash SERIES: A Special Education Data Inquiry Focus

2024

FEBRUARY 28

12:00 PM - 3:00 PM

PRESENTER

Mary Ann Hudziak

Director | Student Success Center

School leaders have the opportunity to use WISEdash for Districts as a valuable data investigation tool. This tool is dynamic and robust for examining a variety of aspects throughout an education system. This workshop will be focused on an inquiry into special education data. We will use a process for capturing valuable data visualizations to inform data teams of areas for potential growth and celebration. This workshop will equip school and district leaders with a better understanding of WISEdash dashboards, navigation and functionality. 'Be WISE' and register today!

OBJECTIVES

- Learn the different dashboards available in WISEdash for Districts and how to use them
- Learn and practice locating and manipulating the robust functionality of the tool
- Learn a process that can be used to capture and store data to measure growth
