This workshop is designed to facilitate the Local Education Agencies (LEAs) planning and working with private schools with regard to Title (ESSA) funding. CESA 6 works with the DPI and the Wisconsin ESSA Ombudsman as collaborative partners for this event. This workshop provides an opportunity for communication and collaboration between private school administrators and public school ESSA teams as an initial consultation.

OBJECTIVES

- Discuss procedures and timelines for complying with Title law.
- Receive sample electronic documents to use or adapt for data collection and/or reporting.
- Private and public school administrators will have time to communicate and collaborate.
- For private and public school administrations attending together, this can be an initial consultation meeting.

WHO SHOULD ATTEND?

- District personnel with the responsibility of Title programming, budgets, and instruction (i.e. Title I Coordinator, Principal, Superintendent, lead Title I teacher, Reading Specialist, RtI Coordinator) AND Private School administrators that work with districts regarding Title funding.
