

"SEE THE SOUND" VISUAL PHONICS

PRESENTED BY
MELISSA CARRIE, ICLI-LICENSED TRAINER

"See the Sound" Visual Phonics is a system of 52 unique hand cues and symbols that represent the sounds of the English language. It includes sounds commonly referred to as vowels, consonants, diphthongs, and digraphs. Each hand cue is associated with the production of the sound, making it simple for students to connect the sounds with the hand cue!
