TRANSITION COLLABORATIVE VIRTUAL SERIES

2023-2024 School Year

The Transition Collaborative Series is an opportunity for transition coordinators/teachers to connect with colleagues on implementation of best practices in the area of transition. The collaborative series will meet four times during the year to share ideas and strategies for transition planning at the local event. Participants will be actively involved in discussion, exchanging ideas, sharing best practices and resources with one another and selecting future meeting topics based on their needs.

Collaborative series provide opportunities for leaders, specialists and teachers to engage with peers regarding topics of interest within their discipline. Learn more at:

NOTES:

Collaborative Series meetings will be purchased as a “seat” per district. The district can purchase as many “seat(s)” as they would like to fulfill their training needs. This will allow for the district to rotate staff through a series of meetings at their discretion based on topics and schedules. The cost of \$200 per seat or \$75 per meeting will be invoiced to the district at the time of registration for the “seat.”
