

EL and Newcomer Resource Vendor Fair

May 22, 2023 8:00 am - 4:00 pm

CESA #4 will be hosting an EL and Newcomer Resource Vendor Fair on Monday, May 22, 2023. This is a unique opportunity to hear from vendors about their products as an instructional team. Browsing and review time will be provided to discuss options to best serve your students.

Our vendors will have information and materials available in our mini-vendor hall. We will have time for browsing before and after our vendor presentations. Presentations will start at 8:30 am.

Register here today! This vendor fair is geared towards principals, curriculum leaders, EL teachers, and educators involved in EL and newcomer support.

Cost for this event is \$25.00 per person.

This event is FREE to all CESA #4 Title III Consortium Members.

Everyday our CESA #4 educators are committed to ensuring each child has the opportunity to thrive. English Learners present unique needs that often need additional supports. Newcomer and beginner ELs often face additional challenges because they are acquiring English skills while also mastering classroom content. Many of these students need comprehensive language and literacy instruction to bridge the gap between English and Content.

8:00-8:30	Pre Materials Browsing - <i>Optional</i>
8:30 -8:45	Welcome
8:45 -9:45	Vista Higher Learning
