## Developing a District Computer Science Program Using the SCRIPT Rubric

Monday,  
June 12, 2023

9:00am-3:00pm

CESA 8

**What is CSforALL SCRIPT:** The Strategic Computer Science for ALL Resource & Implementation Planning Tool — is a framework to guide district teams through a series of collaborative visioning, self-assessment, and goal-setting exercises to create or expand upon a computer science education implementation plan for their students. During this workshop, district teams will work through the SCRIPT rubric to create or expand a district computer science plan.

### Registration:

\$25 for CESA 8 CIA Member Districts,  
\$50 for all others  
Lunch Included

[www.myQuickReg.com](http://www.myQuickReg.com)

### Audience:

Districts are encouraged to bring teams of K - 12 administrators, school leaders, and educators. Having a licensed computer science educator is not a requirement for participation.
