

SAVE THE DATE!

Manufacturing Awareness Day 2012

January 27, 2012

8:30 a.m. - 12:30 p.m.

Lenz Center

Southwest Wisconsin Technical College

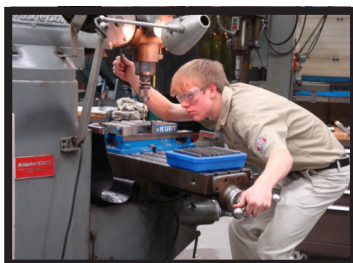

Technology and Engineering Instructors, Guidance Counselors, and Administrators: Join us for a Manufacturing Career Awareness Day on Friday, January 27, 2012 from 8:30 a.m. to 12:30 p.m. at Southwest Wisconsin Technical College (optional if your schedule allows to stay the afternoon to attend the SkillsUSA awards session ending by 2:30 p.m.). It will run in conjunction with the SkillsUSA Competition and offer presentations on the manufacturing industry and career opportunities. School districts will be reimbursed \$100.00 per participant (limited to the first twenty) towards substitute reimbursement. Lunch will be provided.

Featuring the following:

- » Presentations on local workforce needs
- » Presentations by local technology and engineering instructors
- » Panel discussion by local manufacturing representatives
- » Display of local business and industry

For further information, please contact:

- » Greg Quam, Platteville High School, (608) 342-4024
- » Tom Martin, CESA #3 (608) 822-3276

**SkillsUSA.**
