

# SAVE THE DATES

**Paraprofessional Training**  
**August 23 - 25, 2023**  
**8:30 AM - 3:00 PM**

**Location and cost to be determined**

Join us for three days of learning around all topics relating to your role as a school paraprofessional! The first two days will be spent discussing topics such as the general role of a paraprofessional within a school, what is special about special education, confidentiality, mental health, communication strategies when working within a team, creating and working within a positive and engaging classroom environment, understanding challenging behaviors, content specific strategies and more! The third day will consist of a Crisis Prevention Institute (CPI) Verbal Intervention training.
