

Statewide New Early Childhood Special Education Teacher Boot Camp 2.0

2023 - 2024 Virtual Series

DESCRIPTION

Are you a second or third year early childhood special education teacher? Are you feeling comfortable in your role but still needing and wanting to learn more on certain topics? If so, our Boot Camp 2.0 cohort is the perfect opportunity for you! This ongoing professional learning experience will provide you with a deeper level of knowledge on a variety of topics while providing you with opportunities to engage in conversations with your colleagues from across the state. Additionally, you will learn strategies and practices that can be applied in your classroom. Each virtual session will be facilitated by an Early Childhood Technical Assistance Specialist and may include guest speakers from the DPI.

Who Should Participate?
