# SPEECH AND LANGUAGE COLLABORATIVE SERIES

**2023-2024 School Year**

The Speech and Language Collaborative Series is an opportunity for transition coordinators/teachers to connect with colleagues on implementation of best practices in the area of transition. The collaborative series will meet four times during the year to share ideas and strategies for transition planning at the local event. Participants will be actively involved in discussion, exchanging ideas, sharing best practices and resources with one another and selecting future meeting topics based on their needs.

Collaborative series provide opportunities for leaders, specialists and teachers to engage with peers regarding topics of interest within their discipline. Learn more at: [cesa6.org/services/networks/index.cfm](http://cesa6.org/services/networks/index.cfm)
