

Gallup CliftonStrengths Coaching Certification

DECEMBER 4 - 7 | 8:30 AM - 5 PM | CESA 6 OFFICE (2300 STATE RD 44, OSHKOSH)

OVERVIEW

The changing workplace demands managers move from boss to coach. Gallup-Certified CliftonStrengths Coaches epitomize strengths-based coaching excellence. Set yourself apart from other coaches and gain the skills, confidence and elite status you need to coach anyone.

Join us at CESA 6 for a 4-day CliftonStrengths Coaching Certification program.

Strengths coaching is about focusing on what others do well instead of fixating on their weaknesses, with coaches using their understanding of their talents to guide others and help discover and capitalize on what they do best. Strengths coaches know that people who focus on their strengths are:

- 3x more likely to report having an excellent quality of life
- 6x more likely to be engaged on the job
- 12.5% more productive

OUTCOMES

Help others discover their talents and develop them into strengths.

Help others use their strengths to overcome their challenges and accomplish their goals.

Help others capitalize on their potential and perform at their best.
