The Student Intervention Planning Network is an opportunity for student/pupil services staff to learn from one another, build resources, and keep current on the latest evidence-based programs and legal issues. We will focus on enhancing multi-tiered approaches related to various issues including Anxiety/Depression, AODA, Suicide, Truancy, ed neglect. We will also continue to collaborate regarding Behavioral Intervention Planning, specifically strategies pertaining to behavior teaching, setting events, antecedents, and maintaining consequences. This series meets three times during the school year.
