

ACP COMMUNITY OF PRACTICE

DECEMBER 4, 2023

FEBRUARY 28, 2024

9:00 AM - 3:00 PM

The ACP Community of Practice allows districts to participate in two supportive academic and career planning sessions. These workshop sessions focus on ACP overview and planning that will fulfill the Education for Employment and DPI administrative rule requirements, updates and upcoming changes to ACP, and guided support to enhance career-connected learning opportunities through your ACP activities.

Participants are encouraged to attend both sessions as new information will be shared at each. This is a free workshop series, participants only pay for lunch.

Cost of the workshop series is \$15.00.
