## NEW DAC WORKSHOP

This session has been developed specifically for those new to the District Assessment Coordinator role. New DACs will dive into the required assessments and calendars for implementation, and develop, define, and identify the tasks and personnel in their districts that are necessary for the successful implementation of the WSAS-mandated assessments at grades 3-11. PLEASE feel free to register and bring your “go-to” person to allow you to clarify and work on district implementation strategies and processes.

## DAC NETWORKING

All sessions are designed specifically for District Assessment Coordinators (DACs), School Assessment Coordinators (SACs), and other assessment leaders.

We will:

- Come together for professional development in the area of new and existing state assessments
- Develop implementation strategies and supports for upcoming assessments
- Review resources to aid in your assessment implementation and data review
- Network and share best strategies and resources

PLEASE feel free to register and bring your “go-to” person to allow you to clarify and work on district implementation strategies and processes.
