

A ROADMAP FOR RELATED SERVICES PROVIDERS

FACILITATING COLLECTIVE RESPONSIBILITY AMONG IEP TEAM MEMBERS FOR EVALUATION, DEVELOPMENT OF COLLABORATIVE IEPS, AND SERVICE DELIVERY DECISIONS USING THE CCR IEP PROCESS

PRESENTED BY CARLYNN HIGBIE
SPECIAL EDUCATION CONSULTANT, DPI

OCTOBER 27, 2023

9:00AM - 3:00PM

\$25 PER PERSON

Considerations and strategies for best practices for OT & PT Related Service providers. This presentation will equip you with valuable information and resources to foster a collective process for evaluation, IEP goal development, and service delivery.

Topics include:

- Overview of best practices in related service provision
- Comprehensive Evaluation
 - Assessing participation
 - Use of various frameworks for conservation of student's educational needs, including the ICF, OTPF, and the RIOT/ICEL Matrix
 - Suggested tools and data collection methods
- CCR IEP process as a collective responsibility: Why I love the Linking Form
 - Participation-based headings in the PLP
 - Participation-based IEP goals: Goal writing as a collective responsibility (a.k.a. not discipline-specific goals)
- Overview of other related topics
 - Integrated service delivery
 - Overview of workload/caseload: models of service delivery and "dosage" considerations for related services.
 - Best practices considerations related to sensory-based interventions
 - ESSA and the role of RSPs as SISPS
 - OT mental health and MLSS for behavior and emotional needs

Who Should Attend:

- OTR
- PT
- COTA
- PTA
