

# PBIS TIER 1 TEAM TRAINING

This training is designed for teams that have never been trained, teams or buildings that have had significant staff turnover, or teams that were trained prior to 2018 and want to update their training and implementation knowledge. Ideal teams have 6-8 members who are committed to working together for at least a full year and who are prepared to engage families, community members, and students in decision-making.

## Whole Team Training

### Team Objectives:

Learn the evidence base and understand the critical features necessary for successful implementation.

Create systems that prioritize the development of positive environments to foster a strong sense of community, identity, and belonging for all stakeholders.

Examine and refine adult practices related to student behavior including prevention, teaching, and response strategies.
