

Unpacking the Common Core State Standards

Individual Workshops and Dates:

K-5th Grade

February 20, 2012
9:00 AM—3:00 PM

6th -8th Grade

February 24, 2012
9:00 AM—3:00 PM

9th –12th Grade

February 28, 2012
9:00 AM—3:00 PM

Elementary ELA and
Math workshops will
be held together.

Middle School and
High School ELA and
Math workshops will
start out together and
then separate into
different groups.

Join CESA 8 staff as we unpack the Common Core State Standards in grade level bands. Utilizing the web-based tool, we will provide a professional unpacking of Mathematics and English Language Arts Common Core State Standards utilizing this dynamic database tool. We will show you at grade level the standard alignment process.

StandardsInsight™ allows users to **filter** the standards by grade level, by strand and CCR anchor standards for English Language Arts and by domain or conceptual category for Mathematics, and by key word. Filtering allows teacher teams to look at vertical connections among certain strands of standards and search for specific content relevant to their alignment work and deep study of the standards.

The web-based system then provides a robust database, with numerous unpacked fields including:

- Evidence of student attainment
- Key vocabulary for teachers
- Knowledge expected to attain the standard
- Skills expected to attain the standard
- Understandings expected to attain the standard

Cost: \$50.00 per workshop per participant from Common Core School Improvement Districts: Beecher-Dunbar-Pembine, Bowler, Clintonville, Crandon, Crivitz, Florence, Gillett, Goodman-Armstrong Creek, Menominee Indian, Niagara, Suring, Wabeno, Wausaukee, White Lake.
\$75.00 per workshop per participant from all other school districts.

Registration: All registration will be made through our online system which can be found at www.myquickreg.com, or go to the CESA 8 webpage and click on the red link at the bottom of the page.

Registration Deadline: Five days before workshop date
