Event

SOCIAL STUDIES EDUCATOR NETWORK

This 3 part Network series will engage K-12 Social Studies educators in:

- Establishing tangible ideas for building classroom community.
- Defining civics engagement, civil discourse, free speech, and distinguish between discussion, discourse, & debate.
- Developing an understanding of the DPI scope and sequence for civics and inquiry.
- Engaging in a variety of structures and strategies for effective civil discourse.
- Exploring and utilizing impactful resources to deepen civic engagement for improving and/or maintaining impactful practices.

At each of the network meetings, one local Social Studies K-12 Educator will facilitate professional learning surrounding a high-leverage, high-impact instructional practice to use in any classroom.
